\*TLW="The Learner Will" and it describes what the student will be doing in class on that day. The description should be specific. In Algebra I, the TLW could be "Work in groups to work polynomials on white boards; present to class" The **objective** is the TEKS/TAKS/Project CLEAR objective that are addressing. In Algebra I, the **objective** could be, "TEKS 4.a: Find function values, simplify polynomials expressions".

Or in English II, the TLW could be, "Finish 1<sup>st</sup> draft of essay and work in pairs to proof read and feedback using rubric" and the **objective** might be, "TEKS 1.c: develop drafts both alone and collaboratively by organizing and reorganizing content and by refining style to suit occasion, audience and purpose."
