A note about this course:

You are enrolled in a **Pre-AP** level course. You will **not** receive a good grade just for showing up. There is a lot of work involved and as pre-ap students you are expected to complete all of it. If you are not planning to continue studying French through level 4 AP you should speak to your dean immediately about enrolling in prep French 2.

Grades:

I do not give grades. You earn your grade for this course. If you work hard and do your best you will likely earn a high grade. If you slack off and don't put forth the required effort your grade will reflect this.

I do not discuss individual grades during class time or during passing periods. See me during tutorials to discuss your grade. You have the option to retake **one** exam per six weeks. You must come see me during a tutorial in order to notify me of your intent to retake an exam. It is the responsibility of the student to keep track of his or her own grades. They are available on Grade Speed.

Tutorials:

I am available for extra help every day except Thursdays. Please see me before school or at lunch. If you receive a low grade on any assignment or exam, please stop in at a tutorial to go over it with me.

Online component:

Some practice activities as well as graded assessments will be completed on our class website. If you do not have access to the internet at home, you will need to complete these assignments in the library or see me for assistance.
